

Coney Island Man Told a Wild Tale Of Being Bitten

Of Being Robbed

With tears streaming down his cheeks Albert Nelson, 43 years old, who said he lived at Coney Island, walked into police headquarters in the Municipal Building on East O'Reilly street at 4 o'clock this morning.

ing and informed policeman Welch who was on the desk that he had been robbed of \$350 in cash and \$50,000 worth of negotiable bonds. He said he had been out with a taxi driver he had met and two girls. One of the girls, he said, was named Irene. What her last name was or that of the other girls, he did not

Officer Welch immediately called up Sergeant Phinney's home on the telephone and roused that officer out of bed and told him the facts. Sergeant Phinney is acting chief in the absence of Chief of Police J. Allan Wood who is enjoying his vacation. Sergeant Phinney, dressed and hurried to the scene.

Together they visited one house, arousing the inmates out of bed, and after Sergeant Phinney had questioned them he became somewhat suspicious of Nelson's story and before visiting all the addresses, he

Nelson told a number of conflicting stories, according to the police, and it finally developed that the \$50,000 in negotiable bonds were fifty paper hats that at the present time repose safely in Nelson's grip in the Luzon railroad station on the N. Y. O. & W. railroad.

Later in the morning the police got in touch with Nelson's brother at Coney Island and were informed that Nelson had been sent to the Catskill Mountains for his health. The brother asked the police to hold Nelson and see that he was placed aboard the West Shore railroad train leaving here shortly before noon today, and that he would wire \$25

This the police said they would do. Nelson said he had been stopping at Luzon for a while and had come to Kingston from Big Indian. He said he had also spent a night at Pine Hill and at another summer resort in the Catskills. Nelson wears glasses, a gray coat and knickers. He had no money

PRINCE CAROL SPENDS \$50 WEEKLY ON BOOKS.

Paris, Sept. 3 (AP).—Carol Caranman, Prince of Rumania, is a lover of books and a patron of the arts. When Carol was a boy, his friends say, he spent all his pocket money on reading. When he became active in the Rumanian army he founded a library and so fostered reading and study that he left a distinct intellectual impression on the military classes. In Paris Carol buys books almost daily. His expense for current literature is said to average \$50 a week. In Rumania he founded the "Carol Foundation" to bring lecturers and musicians to his country and to encourage art and intellectual movements.

CHEVROLET SEDAN UPSET IN AUTOMOBILE CRASH

This afternoon shortly after 1 o'clock a Nash car driven by Chris Somerset of this city and a Chevrolet sedan containing two men and two women from out of town came together at Washington and Lucas avenues. The force of the impact was such that the Chevrolet was turned over on its side but none of the occupants appeared to be injured although shaken up. The Nash car was going down Washington avenue while the Chevrolet was proceeding on Lucas avenue.

Financial and Commercial

New York, Sept. 3 (AP).—The stock market today was more responsive to indications of the expected quickening of autumn trade, as shown by the rise in operations of U. S. Steel and a gain in August production of several of the leading automobile concerns. Renewed demand for merchandising, farm implement, food and chemical shares was translated into some extraordinary advances, such as a six point jump in International Harvester to 264, the best price ever reached.

A score of other well known shares surpassed their previous best figures, including Baldwin, International Telephone, North American National Biscuit, Postum, Allis Chalmers, Nash Motors, Woolworth, Montgomery and Ward and Sears Roebuck.

American Lined advanced on higher prices for linseed oil and increasing earnings in the trade. Sugar stocks showed continued strength in further reflection of the recent advance in sugar prices. Freeport-Texas sold up on expectations that directors will again declare an extra dividend at this month's meeting.

Although buying was most pronounced in the industrial group, there was brisk bidding for several railroads, especially Nickel Plate, Texas and Pacific, Southern Railway and Western Pacific, the last named showing unusual activity.

Disheartened short sellers who had put out contracts early in the week were retiring commitments at a rapid rate as the session ended. Total sales approximated 300,000 shares, and the closing was strong.

New Auto Plates Arrive Here

First shipment of 1928 plates received at Local Motor Vehicle Bureau Office—Have Yellow Figures on Back Background.

The first shipment of automobile plates for 1928 was received at the Motor Vehicle Bureau office, 237 Fair street, this morning and the plates are being arranged for quick issuing by Second Deputy Clerk H. C. Flieger, in charge of the motor vehicle bureau. The first shipment of plates includes both pleasure and commercial licenses. These plates are made at Auburn prison and shipped direct to the various counties for issuing. For 1928 the plates will have the same color combination as this year, the figures being the reverse of this year, or yellow figures on a black background.

Is the first carload of plates received and being delivered by the Van Etten & Hogan trucking firm are 8,495 pleasure plates running from 9H-1501 to 9H-9999. The commercial plates, numbering 4,500 begin at 779-626 and include 784-125.

The present shipment is about half the plates assigned to Ulster county. By early delivery of the plates the various counties are in a position to begin the issuing of plates early in the winter as soon as notified by the state department. By issuing plates a month or more prior to the first of the year, ample time is given motor car owners to secure their licenses prior to the beginning of the year when all cars must display the new plates. By procuring plates early the congestion and delay on the last minute is avoided.

Local Death Record

Miss Isabel McElroy died Friday at the home of Miss Elizabeth Taylor in Sagerties, aged sister, Mrs. George Brade of Brooklyn, survives. Funeral services Monday morning in St. Mary's Church, Sagerties. Interment in St. Mary's cemetery, that village.

The funeral of Herman Bigler was held from his late home, 55 West Union street, Friday afternoon at 2:30. The services were very largely attended by his many relatives, friends and neighbors and the floral tributes were many and beautiful, testifying to the high esteem in which he was held by all who knew him. The services were conducted by the Rev. W. J. Pretzsch, pastor of the Spring Street Lutheran Church. The bearers were members of the family and the interment was in the family plot in Montrose cemetery.

Mrs. James Harnen died at the Benedictine Hospital this morning after a protracted illness. Mrs. Harnen was a resident of the downtown section of the city and was very well known. She was a member of the League of the Sacred Heart of St. Mary's Church. She is survived by her husband, four sons, James, John, Bernard and William, and one daughter, Mrs. Everett Stapleton. Funeral will be held from the home of her daughter, No. 3 E. Union street Wednesday morning, September 7, at 8:45 o'clock and at St. Mary's Church at 9:30 o'clock, where a high Mass of requiem will be offered for the repose of her soul. Interment in St. Mary's Cemetery.

The funeral services of Charles Tappen, which took place from his late residence, 32 Maiden Lane, this afternoon, were very largely attended. The house was filled with beautiful flowers from sympathetic friends showing the high regard and esteem in which he has held in the community where he had resided his entire life. Mr. Tappen was born on the second day of November, 1864, in the old Tappan Homestead which stood where the house in which he died now stands. His ancestors were some of the most distinguished men of their times and had much to do with the making of the history of this city and state. His father, Richard W. Tappen, was very prominently identified with the early history of this city, and his advice was eagerly sought after by all. He was called and known as "Squire Tappen". His grandfather, Christopher Tappen, was one of the most illustrious men in Revolutionary days. It was he who saved the public documents at the burning of Kingston. He was a delegate to the provincial Congress, which met at New York on May 22, 1775. He was also a member of the Committee of Safety, and was the first Major of Northern Regiment of Minute Men in 1775. Christopher Tappen's sister, Cornelia, married George Clinton, the first governor of this state, and Governor Clinton and his wife made their home while in Kingston at his house which stood on the corner of Wall and North Front streets where Sam Bernstein & Company's store now stands. In the death of Mr. Tappen this community has suffered a great loss. He was a man who although modest and unassuming yet was public spirited and interested in everything that would advance the good and welfare of this city. He was a loyal friend, kind and sympathetic. He was one of the organizers of the Kingston Savings Bank since 1909. He was considered one of the best informed bank men in the state as is evidenced by the growth of this bank since he became treasurer. At the time he was made treasurer of the bank the deposits amounted to about three million dollars and today they amount to over six million five hundred thousand dollars. The surplus of the bank when he was elected treasurer was one hundred eighty-four thousand dollars while today it amounts to eight hundred and fifty-six thousand dollars, and during all these years it has not lost a single penny. Mr. Tappen is survived by his wife, Charlotte W. Tappen, and one brother, Richard Tappen. The services were in charge of the Rev. Lucas Boeve, pastor of the First Reformed Church, of which Mr. Tappen was a member. The honorary bearers were Hon. G. D. B. Hasbrouck, Hon. James A. Betts, Myron Teller, D. N. Mathews, Virgil B. Van Wageningen, George Burgerlin, Dr. George F. Chandler, Everett Fowler, William M. Davis, Sam Bernstein, Charles H. De La Vergne and Harry S. Ensign of this city, and John D. Newton, Louis B. Ostrander and

STONE RIDGE.
 Stone Ridge, Sept. 3.—Deputy Sheriff Peter W. Wells was called on an accident Tuesday afternoon, which occurred on the Atwood road when a car driven by a New York young man, who is boarding in High Falls, ran into a horse, and wagon from Tongore. One lady was seriously hurt and several persons slightly injured. The collision resulted in a badly wrecked car and wagon and the horse ran away. Deputy Sheriff Wells arrested the New York man for driving without a license and he was taken before Judge Davis and fined.

Mrs. Ward Christiana has been enjoying a trip to New York and New Jersey, returning by way of Tilton where she spent a few days with relatives.

The Builders' class of the M. E. Church visited Lake Mohawk one day last week.

Revival services are being held in the M. E. Church every evening at 7:30 o'clock.

Special services were held in St. Peter's Episcopal Church last Wednesday morning at 11 o'clock in honor of St. Bartholomew.

Mr. and Mrs. Roscoe Lockwood entertained some friends at their home last Wednesday evening.

Forged Checks Cause \$8,200 Loss

Sixty-four checks deposited in Ellenville Bank which later were pronounced forgeries—Some Men Whose Names Were Used Say Signatures Are Theirs.

The authorities are investigating the work of a gang of forgers who, working through the First National Bank of Ellenville where they had established an account in May, succeeded in defrauding several banks in Ulster and Sullivan counties of sums totaling \$8,200.

Last May a man giving his name as "Sam Rubin" opened an account in the First National Bank in Ellenville with an initial deposit of \$1,500. The deposit was dormant with no deposits or checks against it for a number of weeks. About the middle of August there were several deposits made by mail of checks drawn against accounts in nearby banks. In most cases the checks called for the payment of between \$100 and \$200, and were drawn to the order of a third party and endorsed over to "Sam Rubin."

It is said that banks at Kerhonkson, Woodridge, Callicoon, Jefferson and Liberty were among those defrauded. The Ellenville bank, used mainly as a place of collection and deposit, had no losses from the operations of the gang.

There were sixty-four checks in all, most of them forged on the accounts of hotel keepers in Sullivan county. The only Ulster county victim the checkup shows is S. Chait of Kerhonkson.

The discovery of the operations of the gang was first made when S. Paul of Liberty went to his bank for his statement, which he questioned, for according to his records his account was some \$100 short. The cancelled checks were examined and finding one made out to a party unknown to him, Mr. Paul asked that it be traced.

The tracing of the check showed that it had originally been entered for deposit by "Rubin" in the Ellenville bank. It was also discovered that the deposits made by "Rubin" had been closely balanced by his withdrawals and there was on deposit about \$190.

Trooper Seymour and the New York city police department in their investigation brought out that all of the checks following the original deposit were clever forgeries. Many of those whose names had been used when asked to examine their vouchers said that the signatures on "Rubin's" checks were theirs, but they had no recollection of drawing the check nor any idea who the persons were to whom the checks were made payable.

Some success in precipitating rainfall has been had by spraying sand in the air from airplanes, and in some instances rain has followed violent explosions arranged for this purpose. According to the confession of one man who called himself a rainmaker, his success was due to the fact that his rheumatism told him when to expect rain and gave him about three days to prepare for rain, which he promised only when he believed it would come naturally.

The Week in Wall Street

New York, Sept. 3 (AP).—Extensive adjustment of speculative accounts, combined with heavy profit-taking, imparted an irregular trend to the price movement in this week's stock market. However, the persistent demand for several of the industrial issues resulted in the establishment of a new high record for the average of 24 leading industrial stocks also presented several strong spots but the general trend of the group was reactionary on falling inspired by the disappointing traffic and earnings statements, which compare unfavorably with those of the corresponding period last year.

Money was in plentiful supply all week, with no change reported in the 15 per cent rate on day to day loans. Banks called for \$10,000,000 to \$20,000,000 in loans daily in the last half of the week, but brokers had little difficulty in replacing them. No changes were announced in Federal Reserve discount receipts. Dividends' distribution during the week aggregated about \$250,000,000 much of which was expected to find its way back into the securities markets.

U. S. Steel common, General Motors and General Electric were the market leaders, all attaining new peak prices on a heavy turn over. Pools were actively at work among the specialties, and lifted nearly three score of them above their previous maximum prices. The list of new highs included such widely diversified issues as American Machine and Foundry, Allied Chemical, Sears Roebuck, Nash Motors, Kelly Springfield, American Can, Great Northern Ore and Shubert Theatres.

Weakness of the oil shares reflected further gasoline price cuts, and the publication of a number of unfavorable earnings statements by such companies as Atlantic Petroleum and Pan American Petroleum. Pierce Arrow issues sank to new lows on the omission of the preferred dividend.

Heavy buying of the Western Maryland issues was the outstanding feature of the railroad share trading. This was attributed to Taplin interests as part of their program in strengthening their position in the soft coal fields. President Story's pessimistic forecast of Atchafalpa earnings failed to check the advance in that issue.

Farm and Home Bureau Day at Fair

Speakers at State Fair include Mrs. Edward Young of Milton—Congressman Ketchum Talks on Solving American Farm Problem.

Nearly 25,000 persons attended the State Fair on its second day, Tuesday, August 30, officially designated Farm and Home Bureau Day. This figure just about equals that for last year.

Farm families predominated in the crowds that thronged the Fair Grounds. All morning they surged in and out of the buildings housing the agricultural exhibits and in the afternoon filled Empire Court to hear the speakers on the program arranged by officials of the State Farm Bureau Federation. The first speaker was Congressman J. C. Ketchum, of Michigan, who talked on "Solving the American Farm Problem." He was followed by Mrs. Edward Young, of Milton, N. Y., president of the State Home Bureau Federation. The last speaker on the program was Commander Richard E. Byrd, who earlier in the day addressed the farm boys and girls there for the 4-H Club Rally.

One of the chief events of the morning was the annual Spelling Bee, in which boys and girls from every county in the state contended for a silver cup and \$50 in gold. Miss Thais David, of Nassau county, was awarded first prize after a long and hard-fought contest, the determination of the awards being made only after an extra list of difficult and confusing words was brought before the contestants.

The Farm and Home Bureau exhibits prepared by ten counties attracted large crowds, as did also the exhibits by 4-H Club members. The latter were housed in a special building, their subjects ranging everywhere from how to serve meals attractively to the right kind of shoes to wear.

Ketchum is Optimistic. "Solving the American Farm Problem" was the subject discussed by Congressman Ketchum before 2,000 members of the State Farm and Home Bureau Federations. Three times Congressman Ketchum declared to be of prime importance in curing the present ills of agriculture in this country. "First," he said, "we need a more sympathetic consideration of the problems of agriculture by all the people in the United States." His second point was the necessity of a very rapid and intensive spread of the spirit of organization, and the third "a continuance of the magnificent program of agricultural legislation which has been blocked out in our country."

Congressman Ketchum also urged farmers to have a more hopeful outlook. He, himself, is optimistic of the future of agriculture and feels that such farm relief measures as have been secured in the past few years are a hopeful sign of future helpful legislation. He declared, "I believe that the record of the last six years is absolutely unmatched in the history of this country, or of any other country, in the conscientious attempt and sincere effort by congress to put on the statute books legislation helpful to agriculture."

Congressman Ketchum has been one of the most vigorous supporters of agricultural legislation. Much of the credit for the passage of the famous Gooding-Ketchum seed drying bill, designed to warn farmers of imported seed which is unadapted for this climate, is due to him. He is at present behind a bill which aims to secure increased appropriations for agricultural extension work, particularly the work with 4-H Clubs and Home Bureaus.

Boys Answer Call For Scout Troop

Fifty-four boys answered the summons Friday night to become members of the American Legion Boy Scout troop now being formed by the local Post 159.

Youngsters ranging from 12 to 15 years of age gathered in the hall of the Legion Building and showed great enthusiasm in plans for organizing the troop. Thirty-two were required for the forming of the outfit and the troop committee will decide next Friday what will be done with the surplus candidates.

Scoutmaster Edward Luedtke, in charge of the work, was immensely pleased with the bright group of lads that turned out to become members of the troop. He will discuss with the troop committee whether a second troop will be organized with the surplus applicants.

The Kingston Post is receiving fine cooperation from various sources in sponsoring this move, and will be proud to join the ranks of 112 American Legion Posts in New York state that have organized the Legion Boy Scout troops.

America's Scenic Wonders

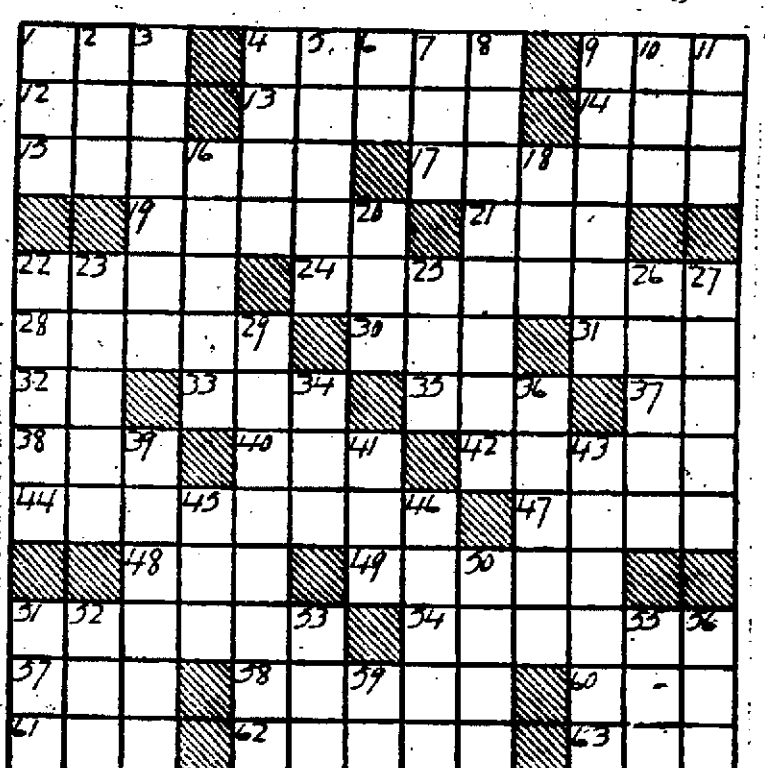

The list of so-called seven scenic wonders of the United States generally includes Niagara falls, Yellowstone park, Garden of the Gods, Mammoth cave, Yosemite valley, the giant trees of California and the natural bridge.

There is to be a considerable change in men's styles but the men themselves will remain about the same.

An enterprising Georgia druggist placarded a display of favorite perfumery as "This year's best smell."

EXAMINATION FOR RURAL CARRIER AT ULSTER PARK

The United States Civil Service Commission has announced an examination to fill the position of rural carrier at Ulster Park, N. Y. The examination will be held at Kingston. Receipt of applications will close on September 28, 1927.

The date for examination will be stated on admission cards mailed to applicants after the close of receipt of applications, and will be about ten days after that date. The salary of a rural carrier on a standard daily wagon route of 24 miles is \$1,500 per annum, with an additional \$30 per mile per annum for each mile or major fraction thereof in excess of 24 miles. Certain allowances are also made for the maintenance of equipment. The examination will be open only to citizens who are actually domiciled in the territory of the post office where the vacancy exists and who meet the other requirements set forth in Form 1377.

Both men and women, if qualified, may enter this examination, but appointing officers have the legal right to specify the sex desired in requesting certification of eligibles. Form 1977 and application blanks can be obtained from the vacancy office mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications must be on file with the Commission at Washington, D. C. prior to the close of business on the date specified above. At the examination, applicants must furnish unmounted photographs of themselves taken within two years.

Novelty Dance. A novelty dance will be held under the auspices of St. Ann's congregation at Sawkill tonight and a good time is promised to all who attend. Though the place orchestra will furnish the music.

In Appreciation. We desire to express to our many friends and neighbors our sincere thanks for their many acts of kindness during the illness and death of husband and father, Harry McKinley. Especially do we wish to thank those who sent the beautiful floral tributes. Also the members of Kingston Lodge, No. 10, F. & A. M., the Musicians' Union, Citizens' Band and the employees of The Freeman Publishing Company. To the Rev. Charles G. Ellis whose words of sympathy in our bereavement were so comforting. We extend our heartfelt thanks.

Buy Instruments For Legion Corps

At a meeting of the American Legion drum corps committee Friday night it was voted to buy the musical instruments for the thirty-piece corps. In order for six snare drums, six cymbals, two cymbals, two base drums, one double bass drum, 12 fifes and one drum major's baton is in the bills today.

Barton L. Castle, drum major of the corps, said that with the hearty cooperation given by the local doctors and dentists, who are helping to finance the affair, the venture is assured of success.

The American Legion wishes to thank the financial backers of the project for their keen interest in their effort to form a corps and to use the doctors and dentists who are promised aid in support of the organization to send in their checks as soon as possible. The corps is depending upon these gracious citizens to help put the "big idea" over and make the drum corps a roaring success and the pride of the Post.

Car Collides With Pole.

An Essex car of A. Neutz of New York city collided with a pole on the Kingston-Saugerties highway near Schoenhar's Hotel Thursday afternoon during the severe rain storm. The pole was broken and the wires damaged. Electric power in that vicinity was off until repairs were made. No one was injured.

MacNider Says He Will Not Resign

Washington, Sept. 3 (AP)—Declaring that he had no intention of giving up his post as assistant secretary of war, Hanford MacNider has authorized a categorical denial of a statement appearing in today's issue of the Army and Navy Journal that he has tendered his resignation to take effect December 1.

The assistant secretary also denied that he had any intention of running for the Republican senatorial nomination in Iowa, his home state. He declared that this report was "absurd" because there is no senatorial vacancy there for four or five years.

DOG-RACING CHANGES LONDON NIGHT LIFE.

London, Sept. 3 (AP)—Greyhound racing, all the go in London just now, has completely altered the night life of the city. Since the sport became so popular at the White City, where an evening's contest is often witnessed by 50,000 or 100,000 persons, London may be said to dance four times at night.

First, there are the theatre-goers who take their meals at 6:30 or thereabouts so as to have time before going to the play. Immediately afterward appear the leisurely dancers who dine from 8:30 on. After the dancers come the "dog dinners," as they are called, these coming after the evening races are over, and just before the after-theatre crowds begin to arrive for supper.

Cafe managers say there has not been such a definitely new meal-time since theatre suppers were introduced in London years ago.

McCauley Honored BY METROPOLITAN OFFICIALS

The August issue of The Home Office, a magazine published monthly by the Metropolitan Life Insurance Company in New York city, speaks in highly complimentary terms of Charles McCauley of East Orange, N. J., formerly of this city, and his thirty years of service with that company.

Mr. McCauley is a son of the late John McCauley and was associated with his father in the insurance business in this city before going to New Jersey, where he is a well known general insurance broker.

Mr. McCauley is a brother of Irving McCauley of New York city and Wallace McCauley of Pittsburgh, Pa.

The Home Office says: Manager Charles McCauley of the License Bureau completed thirty years of service with the company on August 16th and on that day Fourth Vice President Barry presented to him his thirty-year bar.

In the afternoon Assistant General Counsel Dunham, Bates and Ewing, their legal staff and practically all the clerical staff met in the License Bureau and Mr. Barry, in a brief and characteristic speech, gave Mr. McCauley his thirty-year bar which he acknowledged in a speech which was even more brief.

Mr. McCauley had been in the insurance business with his father all of his working years before coming to the Metropolitan and his service here was first in the Examining Section, then Audit A, and he came to the License Bureau about the first of January, 1915. He was largely responsible for the organization of that bureau which he has since managed with such success.

News of the Day In Wall Street

New York, Sept. 3 (AP)—August sales of McCrory Stores rose to \$2,627,723 from \$2,505,701 in August of last year and for the eight months of 1927 to \$22,908,974 from \$19,170,002, an increase of 19.5 per cent.

Motion Picture Capital omitted the quarterly dividend of 25 cents a share on the common stock. The regular quarterly of 50 cents a share on the preferred was declared.

H. C. Doback Company earned \$9.51 a share on the common stock after preferred dividends, in the first half of 1927, against \$1.09 a share in the first half of 1926. Net profit jumped to \$230,954 from \$94,672. Profit and loss surplus was \$726,116 on June 30.

Averages in the Major Leagues

Rogers Hornsby is Now Among First Five Batters in National League—Old Ty Cobb Also Struggles Up Into First Five in American League

Chicago, Sept. 3 (P).—The punch driving the Giants through one of the greatest winning streaks of the season lies in the war club of Rogers Hornsby, the former manager of the Cardinals who was a six-time winner of the National League batting honors, until 1925. Hornsby has at last broken up the Pirate trio which dominated the batting honors of the Heydler circuit.

Clyde Barnhart, the low member of the Pittsburgh three, fell today from third place to fifth in the league, in averages including Wednesday's games. Hornsby's average of .353 is exactly the same with which Eugene Hargrave of the Reds captured the league title last fall. Riggs Stephenson of the Cubs also passed Barnhart to land in fourth place.

Counting the ties for last place, the Giants now have three regulars and one pinch hitter, Dutch Mueller, in the first ten clouters of the league, as compared with the five leading sluggers of the Pirates' regular wrecking crew. Joe Harris, the ex-Senator, has a bare seven point margin on Hornsby, but Paul Waner, the league pace setter, is still thirty points ahead of Rogers.

Frankie Frisch, whom the Giants swapped for Hornsby, slumped from fourth to sixth place among the regulars, but is still miles ahead of the other base stealers, with a total of 34. Working in parts of four games this week, Charley Root of the Cubs got credit for two victories and but one defeat, and from his mark of 24 wins, with four weeks of the season yet to go, has a brilliant chance to reach the thirty mark in games won this season.

Rube Benton of the Giants and Jess Haines of the Cardinals both have passed Lee Meadows of Pittsburgh for pitching honors. Carmen Hill, who with his teammate Meadows, long held the lead, is now fourth with Charley Root and Grover Alexander only a few points behind.

Leading hitters of the National League: P. Waner, Pittsburgh, .382; Harris, Pittsburgh, .360; Hornsby, New York, .353; Stephenson, Chicago, .348; Barnhart, Pittsburgh, .343; Frisch, St. Louis, .339; Traynor, Pittsburgh, .335; Harper, New York, .335; L. Waner, Pittsburgh, .334; Farrell, Boston, .324; Hendrick, Brooklyn, .324; Jackson, New York, .324; Burrus, Boston, .324.

To start his twenty-third year in major league baseball, Ty Cobb has struggled up to fourth place in the American League list of leading hitters, though he is still separated by forty points from the top place which he held for thirteen years with but one break, from 1907 to 1919.

Only Harry Heilmann, Al Simmons of the Athletics who has been on the bench for a month, and Lou Gehrig are hitting better than the former Detroit veteran of more than 11,000 times at bat.

Heilmann's .400 mark of a week ago shrunk a couple points in averages compiled today, including Wednesday's games, but if Simmons stays on the bench, Harry has his fourth batting championship of the league almost within his grasp. Gehrig is hardly close enough to threaten, and besides he is too busy swinging from the heels in his effort to keep step with Babe Ruth in home runs.

Babe was two ahead, at 43, after Wednesday's games, but on the other hand Gehrig had driven out as many two baggers as the two-base champion himself, George Burns of Cleveland. They were tied at 46 doubles, eighteen short of the mark set by Burns in 1926.

The newcomer in the list of the leading ten batters this week is Bud Clancy, back again at first as a regular for the White Sox. His stick work appears to have nullified the Sox out of a disastrous slump. Clancy gained exactly twenty points, to take tenth place from Goose Goslin, who resisted the Washington jinx for a while.

Demonstrating the effect of the willow upon the pitching records, the first seven pitchers in the league, with the exception of Ed Rommel of the Athletics, belong to the New York Yankees. With such sluggers back of him, it seems almost any pitcher could win, and Hoyt, Ruether, Moore, Shocker, Phipps and Thomas, all are at the top of the league in hurling. Ted Lyons has a margin of two victories over Hoyt, 29 to 18.

Leading hitters of the American League: Heilmann, Detroit, .398; Simmons, Philadelphia, .394; Gehrig, New York, .381; Cobb, Philadelphia, .354; Ruth, New York, .353; Combs, New York, .346; Speaker, Washington, .346; Meusel, New York, .345; Fothergill, Detroit, .343; Clancy, Chicago, .343.

Pirates Increase Lead in National

Pittsburgh Club Defeated St. Louis Friday and Is Now Leading by One Full Game—Cincinnati Defeated Chicago.

(By The Associated Press). Pittsburgh's dash for the elusive lead in the dizzy, teetering National League scramble had become suddenly bolstered today for the Pirate cohorts to take a nap without danger of awakening to find their entry knocked off the pinnacle. But even so, the Buccaneers had only time to grab an extra wink. The jaunty world champions fell victims at the Pittsburgh rendezvous yesterday by 5 to 3 while the Reds were adding to the woes of the Cubs via a 5 to 6 whitewashing.

That gave the Corsairs a full game lead on Chicago and even though the Cards stacked up a victory in today's clash at Pittsburgh and the Bruins even up with Cincinnati, Pittsburgh can return to the slender lead of a single percentage point.

Pittsburgh has won five straight while Chicago has had as many losses in a row. The Giants break into action today ready to continue a seven-game winning streak during a double header with the Phils. Both clubs had an open date yesterday.

Alexander the Great could not stop the Pirates and was biffed for 15 hits although he tightened at critical times, preventing heavy scoring. Ray Kremer stopped the champions with nine safe raps.

At Cincinnati, Jackie May gave out three measly singles to the Cubs. His opponent, Percy Jones, got into trouble in the fourth inning by walking three batters, which, coupled with two boots by his mates, gave the Reds a four-run lead.

The Braves scalped the Robins by 3 to 2 to resume sixth place in the standing, Farrell's single in the ninth driving Welsh across the plate with the winning run.

The Yanks maintained their heavy gait by thrashing the Athletics, 12 to 2, swamping Walberg and Gray with 20 hits. Gehrig amassed two homers for a total of 43 and Ruth belted one, his 44th.

Nineteen players were used by the White Sox but to no avail as the Indians dashed off with a 7 to 6 victory. Johnny Mostil made his first appearance of the year with the pallid hose, running for Crouse in the 7th.

Gaston vanquished Lil Stoner in a pitcher's duel which Gaston settled with a single on top of Williams's triple in the ninth for the deciding margin in the Browns' 3 to 2 triumph over the Tigers. O'Neil had doubled and scored with the tying counter on the three-base smash by Williams.

The Senators and Red Sox were without schedule.

Play at Margaretville.

Bob Siskier and Tommy Davitt will play with Margaretville against Windham today at the latter community. The two players named with Steve Connelly have turned down an offer to play with Windham Sunday in order to play with the Knights of Columbus team of which they are members, against the All-Stars at the Fair Grounds.

Local Clubs Play Here Sunday

Kingston All-Stars and Knights of Columbus to Meet in Dual Bill—First Game Starts at Two O'Clock—Large Crowd Expected.

One of the largest crowds of the season is expected to be present at the Fair Grounds Sunday afternoon when the Knights of Columbus team and the Kingston All-Stars, both composed of local talent, will start at 2 o'clock in a dual bill to prove the superiority of one nine over the other. The winner of the scheduled series will be entitled to a tilt with the Colonials who have downed both clubs this season.

Manager Quinn of the 'Kaysers' contends that he has an aggregation composed of some of the best semipro players in the Hudson Valley and is confident of coping the series with all of his warriors hitting over the .300 mark. He is also rather proud of their record this season which registers five victories out of nine contests played. All games have been played on the road. The Kaysers have met Oneonta, Ravena, Port Jervis, Margaretville, Fleischmanns and the Colonials this year. In their stand against the latter the Kaysers garnered nine hits and kept their error column unmarred.

The lineup of the Quinn outfit will be composed of the following: Performers: Tom McGraw, first; 'Boots' Leskie, second; Bob Siskier, short; and Tommy Davitt, third. The outer garden will be covered by Bernie Feeney, Steve Connelly, Steve Ditzik, Matt Cahill and Stanley Colvin. Earl Schultz will do the catching while the hurler will be picked from the group named, Jimmy Volker, Steve Connelly, Phil Peters and Ken Best.

The ump will be Chief Muller behind the plate and Pete Jordan on the bases.

Colonials Leave For Brooklyn

The Colonials were scheduled to leave here today for their game at Dexter Park, Brooklyn, Sunday with the Bushwicks of that place. The locals expect a tough battle and have secured the services of Ted Karis, crack Schenectady player; Ferdie Allen, a star of the last year's and part of the present season's lineup, and Eddie Phelan of Poughkeepsie, who will be used as a reserve in case Art Smith or Bud Culloton, likely to hurl the contest, fail to puzzle the Bushwicks.

A doubleheader is scheduled for Labor Day at the Fair Grounds. The Ellenville Orioles and Chief Mueller's nine of Poughkeepsie will oppose the locals. The former will start the dual bill at 2 p. m.

CLERMONTS AND BLUE SOX TIED AT END OF FIFTH

The Clermonts and the Blue Sox battled to a 2-2 tie at Hasbrouck Park Friday night in a five inning game called on account of darkness. The game was played in order to decide which of the two nines who use the park as their home grounds is superior.

Tam Lewis, formerly with the Blue Sox, did the hurling for the Clermonts and held the Sox scoreless until the fifth inning when two men crossed the plate, tying the score. Lewis finished ten of the Blue Sox in the five innings.

Nichols did the hurling for the Blue Sox and kept the Clermonts puzzled throughout the game. Sunday the Clermonts will play at Woodstock and Labor Day will stack up against the Mohawks, a colored team, at Hasbrouck park. The Golden Rods were scheduled to play the Clermonts on the holiday but had to cancel the game.

Brown Club at Sawkill.

The Brown Tire Club will meet the Robins of Sawkill Sunday afternoon at 1 o'clock for the first game of a doubleheader. The second contest will follow immediately after the initial game terminates. The local players will leave Brown's tire store at 12 o'clock and every player is requested to be on hand for a prompt start.

Cubs at Olive Bridge.

The Kingston Cubs are scheduled to meet the Olive Bridge outfit Sunday afternoon at the latter's diamond.

No Work Today For Heavyweights

Both Men Will Relax—Dempsey to Attend County Fair—Tunney Given Heavy Workout by Chicago—Governor Small Visits Dempsey.

Chicago, Sept. 3 (P).—Quartered in million dollar properties 76 miles apart, Gene Tunney and Jack Dempsey barred workouts in favor of relaxation today—the champion to rest from his journey from Speculator, N. Y., the challenger to attend a county fair. Monday they expect to resume sparring, to whittle themselves to keen edges for their championship fight at Soldier Field September 22.

Dempsey had promised to visit the Waukegan county fair today with Paul Prehn of the Illinois State Athletic Commission. Manager Flynn decreed a day off for the former champion from all but road work and calisthenics.

A quarter of a million people paid their respects to Tunney yesterday in an uproarious welcome in the loop, while Governor Small of Illinois and Will Rogers of Beverly Hills called upon Dempsey.

Tunney arrived at his camp in time to get his books unpacked, change to golfing togs and look over the training quarters about half a mile from the old Deering mansion, which is now the clubhouse. Some road work today, and a com-

Earl Sande Now Must Go It Alone

New York, Sept. 3 (P).—Earl Sande "now must go it alone."

Mrs. Marion Casey Sande, wife of the noted jockey, died at Saratoga Springs yesterday, and today friends told the story of her illness—health undermined by a valiant effort to be diet "pace maker" to keep the jockey down to weight after his spill on the track at Saratoga four years ago.

Sande was caught under the horse in the fall. He would never ride again, the wise ones said, as the jockey lay in a plaster cast in a hospital for months.

But his wife was beside him daily, and told him that he certainly would ride again. With recuperation came the task of keeping down the weight—112 pounds. Sande was no longer the 70 pound boy who ran away from his father's farm at American Falls, Idaho, when he was 16 years old in 1913.

His diet was fruit for breakfast, beef broth for lunch, and sometimes a steak at night. In between, game long hours of road work.

"We'll take care of the weight

proposition," his wife was quoted as having said. "In making this we need a companion, a sort of pace maker. I will diet with you."

It was too much for her, they said at Saratoga and Mrs. Sande became ill at the opening of the Saratoga season after a strenuous training grind. Ten days ago she was able to accompany her husband to the course to see him ride Chance to a glorious victory but as the jockey crossed the line Mrs. Sande collapsed.

"Marion has gone," Sande said he started for Boston with the body yesterday. "It doesn't seem possible."

LARGE CROWD EXPECTED AT BLOCK PARK LABOR DAY

The Gully All-Stars will journey to Rosendale Sunday to meet a team representing that community. Labor Day the Gullys will again pose the Rosendale boys at Block Park. After the contest which is scheduled to start at 2:30 p. m., children's day program will be sponsored by the Gully All-Stars and children who visit Block Park that day will be permitted to enter athletic events for which prizes will be awarded. The Seventh Ward playground is expected to be crowded at the Labor Day program.

New Salvation Army Heads Here

Welcome to be Tendered Sunday to Captain and Mrs. Kliphouse Who Will Have Charge of Local Unit

CAPTAIN GARRET KLIPHOUSE.

A welcome will be tendered Sunday to Captain and Mrs. Garret Kliphouse, who succeeds Captain and Mrs. William Jones as head of the local Salvation Army unit. The captain comes from Mt. Vernon where for the past two years he has been on duty. While there he made many friends. Captain Kliphouse is a worker and very enthusiastic over his work. He is also a good preacher with a fine knowledge of the Bible.

A cordial welcome is extended to all members and friends to attend the welcome service at the Salvation Army headquarters on North Front street Sunday. Services will be held at 11 a. m. and at 8 p. m.

Captain Kliphouse comes to Kingston well recommended for his Christian character and his interest in his work. He has held commands in some of the larger cities including Bronx, N. Y., Newark, N. J., and Toledo, Ohio.

LAST NIGHT on the RADIO

Southern and eastern stations were strong Friday evening and the west was weak. WSB, WJAX and WHAS was received well. WLS, WHT, WTAM and WSAI barely whispered. WBZ was able to overcome all but a squeal of WCAU. CFCE at Montreal was fairly strong. In the early evening all stations were clear and there was no buzz, but at 9 o'clock there was weakness, fading and very muddy tones. This lasted for an hour, at the end of which time reception was strong but rather noisy, and the buzzer began to buzz.

STORM CAUSED DAMAGE IN SOUTHERN ULSTER

The heavy shower of Thursday afternoon caused the creek at Highland to become very high and the falls at the lower mill and was unusually wide at the river. Some cellars were flooded by two or three feet of water. The lower end of Maple avenue was washed away by the water rushing down the road causing it to make holes on the hill about four feet deep. Several cellars of the houses back of the Presbyterian Church were covered with several feet of water. The Highland fire company's pumper was put in use for nearly four hours yesterday to pump the cellars of the Hudson Pure Food company.

Roads in the vicinity of New Paltz took on the appearance of a spring freshet. The flat was under several feet of water and only the top of the corn stalks showed. Roads to Lake Mohonk and Freestown were impassable, and a number of autos attempting to navigate the highways became mired. The Walkkill overflowed its banks.

Change of Timetable.
 A change of timetable will go in effect on the New York, Ontario & Western Railroad on Thursday, September 7.

Rain Extinguishes Fire on Airplane

El Pasco, Tex., Sept. 3 (AP).—Lieutenant Emilio Carranza, nephew of the late Venustiano Carranza, former president of Mexico, who yesterday made the first non-stop flight from Mexico City to Juarez, found a dark cloud of silver lining. While flying over an isolated section after he had covered about half of the 1,200 miles from Mexico City, a wing of his plane in which 400 liters of gasoline was stored, caught fire. As Lieutenant Carranza prepared to use his parachute, he noticed a black cloud indicating a rain storm was in progress a short distance off his course. He headed for the cloud and the rain extinguished the fire.

PRINTING INDUSTRY WILL ASK REVISED POSTAL RATES

New York, Sept. 3 (AP).—The country's printing industry, as represented by the United Typothetae of America, will make a determined effort at the coming session of congress to gain a revision of the postal rates on third class matter.

Plans for the campaign will be rounded into final form at the forty-first annual convention of the organization in New York, September 12-17. The printers want third class matter graded at a pound rate so that the costly work of weighing individual pieces may be dispensed with.

Canada, England, Scotland and Wales will send delegations to the gathering, which is expected to attract 2,000 members of the industry in this country. Rudolph Ullstein, publisher of the Berlin Tageblatt, and R. B. Stunnett, president of the London Master Printers' Association, have accepted invitations.

Printing now is America's fifth greatest industry, based on gross sales. Products of printing and publishing establishments total \$2,269,000,000 yearly.

The convention program will emphasize better printing marketing and management. Affiliated associations which will meet at the same time include the International Trade
